

Apoorv Agarwal

Web Designer & Developer

About Me

Dynamic & results-oriented professional with a solid background in web development & a passion for designing a responsive web application. With over 3+ years of experience in Web Design & Development, I have a proven track record of successfully delivering projects on time. My strong analytical and problem-solving skills, combined with a commitment to continuous improvement, have enabled me to streamline processes. I am seeking a challenging Web Development role where I can apply my expertise to drive project success & contribute to organizational growth.

Work Experience

Web Designer

Adaan Digital Solution Pvt. Ltd., New Delhi

Feb 2020 - Current

- Designed & developed responsive & visually appealing websites for a diverse client base, including small businesses, e-commerce stores.
- Collaborated closely with clients to understand their branding, objectives, & user experience goals, resulting in a 95% client satisfaction rate.
- Utilized industry-standard design CMS tools such as Duda, Mono, Wix, WordPress, Sketch, & Figma to create wireframes, mockups, & interactive prototypes.
- Demonstrated expertise in HTML, CSS, JavaScript, & other front-end technologies to implement designs & ensure seamless user interactions.
- Successfully submitted 2000+ websites in this working time with the 80% - 90% accuracy in work.
